“25 BANDS, GOOD VIBES NON-STOP”

Journey Ramadhan, festival director

“We warmly welcome everybody to the 21st edition of Zanzibar's renowned music festival Sauti za Busara (Swahili for Sounds of Wisdom). With over 270 musicians and 25 live bands from 12 African countries, it is truly a celebration of African music and culture. This year, our focus is on women and young talents, while also showcasing big names like Mádé Kuti from Nigeria, top Zimbabwean woman artist Selmor Mtukudzi, Sholo Mwamba from Tanzania and Zoë Modiga, an icon of style

and jazz from South Africa. Some say its not only the beat but the crowd that makes our festival one of the continent's best. We have prepared special VIP lounges, top food & drinks for you. Come and rave to African music under African skies with us!”
